

The STTR Program

- STTR = Small Business Technology Transfer
- Must work with a non-profit research institution
- Great entryway into government contracting
- 5 departments have STTR programs, but we focus on DoD
 - Department of Defense
 - Department of Energy
 - Department of Health and Human Services
 - NASA
 - National Science Foundation
- STTR is a stepping stone for further federal work
 - Sole Source eligibility with **any** federal agency after Phase I win
