

Trilogy Accelerator – What to Expect

Monthly Newsletters

During your time with us, we want to be sure you're fully aware of what's around the corner. We will keep you informed by sending out monthly newsletters that will include that month's schedule of events, etc.

Keynote Speakers

Our hand selected government and industry VIP's speakers will have monthly discussions with you that can assist you on your Phase III journey. These will usually happen on the 2nd Tuesday of each month, but you will receive calendar invites for the exact dates and times as we get closer.

Office Hours

This will be your chance to have a one on one with a lot of different people, both government and industry, specifically selected to assist you on your Phase III journey. Heather will help give you a recommendation on which ones to attend and help you get them scheduled.

Social Hours

Each of these will have a topic related to that month's focus and will be the perfect time for you to ask any questions to the Long Capture Staff or fellow accelerator participants. You will receive calendar invites for the exact dates and times as we get closer.

One-on-One's

These will happen bi-weekly with your Capture Strategist and LC Sr Leadership and will include

- Marketing Meeting
- Personalized Business Development Strategy
- Discussion key topics with Russ

Heather will get with you to get these scheduled and on your calendar. If you have any questions don't hesitate to reach out to Heather.Snyder@longcapture.com
